during the night of
16 and 17 October

LEGENDS OF THE SOUTH PACIFIC

The marine legends of the South Pacific are rich and varied, reflecting the culture and beliefs of the Polynesian, Melanesian and Micronesian peoples who inhabit this vast ocean region. These tales, handed down from generation to generation, are often filled with fantastic creatures, powerful gods and courageous heroes. Here are some of the most captivating marine legends of the South Pacific.

One of the most famous legends is that of Tangaroa, the god of the sea in Polynesian mythology. Tangaroa is revered as the creator of all marine life and is often depicted as a large fish or a fish-man. The ancient Polynesians believed that Tangaroa controlled waves and storms, and offered sacrifices to him to ensure safe and fruitful sea voyages.

The legends of the Solomon Islands tell of the adorable Adaro, a half-man, half-fish water spirit who inhabits the lagoons and coral reefs. Unlike many mythical sea creatures, Adaro is neither evil nor benevolent, but capricious and unpredictable. The island's fishermen believe it is important to respect Adaro to avoid his wrath, which can manifest itself in sudden storms or empty fishing nets.

Dakuwaqa is another legendary Fijian sea creature. This shark god is considered the protector of fishermen and sea travellers. According to legend, Dakuwaqa can transform into any sea creature to guard his domain. Fijians believe that praying to Dakuwaqa before setting out to sea guarantees protection from marine dangers, including real sharks.

Legends of Maui, the polynesian demigod, are also ubiquitous in the South Pacific. Maui is famous for his exploits, including fishing the islands from the ocean floor with a magic hook. According to legend, Maui used a bone from her grandmother's jaw as a hook and managed to lift entire islands, creating new land for the inhabitants of the region.

These marine legends from the South Pacific bear witness to the deep connection between the island peoples and the ocean that surrounds them. They illustrate the cultural and spiritual richness of the region, while recalling the mysteries and wonders of the vast expanses of sea. Whether through powerful gods, fantastic creatures or legendary heroes, these stories continue to captivate and inspire today's generations.

KERATIN EXPRESS BLOW OUT

SAY GOODBYE TO FRIZZ

► THE ZÀGARA BEAUTY SPA, DECK 7

Say goodbye to frizz in just one hour with the new Keratin Complex Smoothing Therapy Express Blow Out.

This specially formulated, revitalizing and rejuvenating treatment for the hair eliminates frizz and lasts up to six weeks. With its unique formulation, Express Blow Out infuses natural Keratin in the shortest amount of time so your hair can be washed just eight hours after the treatment.
