## SINGAPORE, SINGAPORE

### *The City of Gardens and Skcrapers*

Advanced, airy and elevated, Singapore is a spectacular, futuristic vision of utopian city life. A healthy population of almost six million call it home, but this is a city designed with space to breathe, and gorgeous outdoor parks, massive indoor greenhouses and beautiful recreational spaces spread between the City of Gardens' skyscrapers and soaring structures. Once a quiet fishing village, now a glistening island city-state and an international beacon of science, education and technology.

Singapore is almost intimidatingly clean - and the hyper-efficient public transport system whips residents and visitors across the city's neighbourhoods in a heartbeat. Glorious fountains and audacious skyscrapers loom up - nodding to traditional feng shui beliefs - and putting on dazzling illuminated displays after dark. The lush green botanical gardens are a spectacular UNESCO World Heritage Site, covering 52 hectares and decorated with impressive colourful orchids. Or breathe in more of the freshest air by heading up to wander the canopy strung bridges of MacRitchie Reservoir Park.

Head for the iconic Marina Bay - a landmark of the city crowned by three interconnected towers, which watch out over island sprinkled waters. Jaunt between Little India and the atmospheric Chinatown in minutes, where beautiful temples - like the Chinese Thian Hock Keng Temple and Hindu Sri Mariamman Temple add rich cultural intrigue.

Singapore's cuisine is a mouthwatering fusion of its Indian, Chinese, Indonesian, and Malay influences, taking and enhancing the best of each. Enjoy dishes in towering restaurants, or toast the glowing skyline with the city's eponymous gin-soaked cocktail - a Singapore Sling.

### SIGHTS

- Chinatown or Bugis Street
- Jurong Lake Gardens
- SkyPark Observation Deck
- Art Science Museum
- Sentosa Island
- Clarke Quay
- Kampong Glam area
- Chinese Opera Tea House

### SHOPPING

Singapore enjoys a reputation as a shopper's paradise. The most famous shopping area is along Orchard Road, but the more colourful, ethnic shops are found in the sectors of Little India, Arab Street and Chinatown. Handicrafts, antique porcelain, jewellery, and framed silk tapestries are just a few of the many tempting items offered for sale.
